Brno University of Technology, Czech Republic

August 10, 2020

General

1. What is the name of your team?
FIT BUT
2. Which (agent) platform/programming language(s)/frameworks are you using and why?
We are going to build upon our own java system from last year submission.
3. Any tips you want to give the other participants? :)
Timed out agents may affect your wining strategy.
